RE: Reference Letter – FRR080 – NASA Michoud Assembly Facility, Various Buildings
New Orleans, LA

Dear Mr. Mayfield,

Vanguard Contractors, Inc. would like to take this opportunity to commend you on a job well done for the above-mentioned project. VCI was very pleased with your thorough communication, timeliness and quality of work that was put forth in completing this project. The Aerial Infrared Thermographic Survey of Roof Moisture Report that you provided was above and beyond our expectations and greatly received by the owner.

We are pleased with the way our companies worked together in completing this task and we look forward to working with you in the future.

Sincerely,
